## Training

### AT YOUR LOCATION

The Fiber School has built a reputation as being a provider of solutions, not just another training house. Instead of theory or “show and tell”, we put industry-standard equipment in the students’ hands and provide real-world lab exercises, which allow students to gain firsthand knowledge and practical experience.

In our effort to remain a leading fiber optic school, we have expanded our on-site training catalog and can bring any of our courses directly to your door, saving you time and money.
